## INTRODUCTION

Idealogy Journal is a biannual journal, published by Universiti Teknologi MARA, Perak Branch, MALAYSIA.

IDEALOGY is a combination of the words IDEA and LOGY whereby the word IDEA refers to any activity or action that can lead to change. On the other hand, the word LOGY refers to the understanding towards a certain group or thought, that is often related to the creation of the idea itself. So, IEALOGY is a platform for those who have ideas to share in journal form. The IDEALOGY Journal is spearheaded by the Faculty of Art & Design, Universiti Teknologi MARA (Perak), however the scope and theme applied were broadened to cover Arts & Social Science.

This journal is purely academic and peer reviewed (double-blind review) platform. It caters to original articles, review paper, artwork review and appreciation, exhibition review and appreciation, and book reviews on diverse topics relating to arts, design, and social science. This journal is intended to provide an avenue for researchers and academics from all persuasions and traditions to share and discuss differing views, new ideas, theories, research outcomes, and socio-cultural and socio-political issues that impact on the philosophical growth in the contemporary events.

Published: 19 April 2019

We would like to present, with great pleasure, the third volume of a scholarly journal, journal of arts and social Science. This journal is devoted to the gamut of arts and social science issues, from theoretical aspects to application-dependent studies and the validation of emerging technologies in arts. This journal was envisioned and founded to represent the growing needs of arts and social science as an emerging and increasingly vital field, Its mission is to become a voice of the arts and social science community, addressing researchers and practitioners in areas ranging from arts to applied arts, from design to technology in design, from humanity to social science, presenting verifiable arts methods, findings, and solutions.

Transactions on arts focuses on original high-quality research in the realm of social science in parallel and distributed environments, encompassing facilitation of the theoretical foundations and the applications of arts to massive daily life. The Journal is intended as a forum for practitioners and researchers to share arts techniques and solutions in the area, to identify new issues and to shape future directions for research. In this issue, is discussing about art, design and culture in various area. This special edition focusses on several issue in Art. The writings in this issue reflect the artworks in the exhibition title STILL (A) LIVE organized by Department of Fine Art, Faculty of Art & Design, UiTM Perak. The collaborator researcher shared their in-depth description of the improvement of civilization in Asian
